Spring at D.C. Everest is heralded by the crack of a bat and the solid smack of a baseball hitting a glove. There is always a great deal of interest and excitement at the beginning of the baseball season, and this year the feeling could be noticed throughout the entire season. The team learned from their early season mistakes, played consistent ball, and ended up with one of the best seasons Everest has ever had. Some of the major reasons for the success were the spirit, the interest and the desire to play good baseball coupled with the help of a fine coach, Mr. Hansen.
