In the final Valley game of the season the Evergreens handed Marshfield a 2-1 defeat and finished the regular season play with a respectable 4 wins and 4 loss record. This marked the end of a fine season and with 12 of 14 players returning for the 1970 season, prospects look bright for more victories in the future.

The 1969 season can be summed up as a good pitching, no hitting campaign. Ed Sattler led the Evergreens to 5 victories in 10 decisions. These five wins were the greatest number of victories for an Evergreen nine in some time.
