Everest '9' gets fast start

Three senior starters returned to lead the baseball team to a fast start in their season. "All in all it's been a good season," was Varsity Coach, John Solheim's comment. The team had depth, but not enough "standouts."

"I think we could improve if we had more field space for practice," stated Coach Solheim. The lack of space also caused problems for home games. Varsity games were held at the Middle School as usual, but the JV games were played elsewhere. "With two teams needing the same field, it's hard," added Solheim.
